Subject: Work Plan and Cost Estimate for Fruitland Magnesium Fire Incident, EPA Contract No. EP-S9-12-01, TO No. 9059

Mr. Musante,

Attached is the Work Plan and Cost Estimate for the Fruitland Magnesium Fire Incident site, TO 9059. This TO will be performed under SCA and will require approval of OT as detailed in the attached Cost Estimate. Because of the nature of this site and that it is being performed in the State of CA, there may be a potential for DT hours to be worked. We are requesting approval of DT billing rates on this TO for the Foreman, Equipment Operator, Truck Driver, and Clean-up Technician categories. The Foreman category does not have an approved DT bill rate on the contract, but has been approved on previous Task Orders at a rate of \$108.50.

If you have any questions please call Jerry Wade at 503-953-5263 or Ron McManamy at 425-673-2900.

Thank you,

Laurie Palmer
